- (b) (6), (b) (7)(C) -

residential & commercial customers - majority city or county-wide cleanups

all residential - kept separate records

physically brought - (b) (6), (b) (7)(C) wants to know which items are residential white goods, stoves, freezers

- both res & commercial stored together
- not separated
- both sent to Recycletronics

xx landfills accept both private or public

cc → landfills, state & fed gov't, schools electronic & appliance stores - keep track of weights
↳ billing would show how many of weights

- ceased sending to Recycletronics
